W Resources Plc
("W" or the "Company")

Hansource Investments Limited

W Resources Plc (AIM:WRES), the tungsten, copper and gold, exploration and development company with assets in Spain and Portugal, announces that it has come to the attention of the Company that Hansource Investments Limited ("Hansource"), which is a registered owner of 333,333,333 ordinary shares of 0.1p per share ("Ordinary Shares") in the Company, representing 6.08%, has been dissolved by Companies House due to a filing oversight.

The Company has been advised that Hansource is in the process of being restored to the Register of Companies. In the meantime, W Resources understands that the Ordinary Shares are currently deemed *bona vacantia* and accordingly may be owned by the Crown. Hansource representatives have advised that they expect to be able to achieve reinstatement. The Company will provide a further update in due course.
